

A top environmental commodities trading firm is looking for a
SENIOR CORPORATE SALES TRADER – Renewable Energy Certificates
Position based in Brussels, Belgium

JOIN THE FASTEST GROWING FINANCIAL MARKET
AND HELP CORPORATIONS TRANSITION TO A LOW CARBON ECONOMY!

Our mission at Vertis is to inspire and empower businesses to make the transition to a low carbon economy. We have been a pioneer in the carbon markets since 2001 and our drive is relentless to move the world towards a greener future.

We provide our clients with direct access to markets for buying & selling renewable energy certificates and the financialization of these assets provide a strong incentive for organizations towards carbon neutrality. As a corporate trader, you will become a key member of a team of specialists and professionals in one of fastest growing commodity markets in the world.

REQUIREMENTS

- 3+ years of experience in environmental certificates market, power market knowledge, renewable energy advisory, or as a sustainability expert specializing in energy.
- Experience sales trading/brokerage or account management experience, and strong willingness to engage successfully in sales is essential to the position
- Good understanding of renewable energy products and markets, Guarantees of Origin preferable
- Experience and network of contacts in Europe – German market is a strong preference
- Proven success in handling complex contract negotiations
- Ambitious spirit, proactive personality and a commercial mind-set - prior entrepreneurial experience is a plus
- Excellent communication and interpersonal skills
- Fluent English, additional German is an advantage
- Relevant degree in Economics, Finance or Business Administration or Environmental studies

RESPONSIBILITIES

- Structure and develop the trading of renewable energy certificates from front to back office
- Develop expertise of the renewable energy certificate market, including buyers, sellers and competitors
- Maintain and develop a portfolio of counterparts active on the certificates market
- Provide a market making activity on certificates: accurately mark price curves and bid/ask for internal and external clients
- Provide market intelligence/analysis to support pricings and trading strategies and remain up to date with regulatory changes
- Conduct day-to-day sales initiatives and set up the strategy for Vertis to become a key player on the market
- Conduct on-site meetings and discussions with potential customers about their needs
- Develop the sales and marketing plan together with our Head of Product and marketing team
- Represent Vertis and build our brand on the market through conferences and PR initiatives

WHAT WE OFFER

- Become an expert of the Renewable Energy Certificate market through in-depth trainings in certificate trading, the renewable energy sector and sales
- Opportunity to build your own business and client portfolio in a young and dynamic market
- Long-term career prospect with a pioneer of environmental commodity trading
- Stimulating, high-calibre, and international work environment with travel opportunities
- Competitive base salary and exceptional commissions
- You can sleep well at night knowing you are helping organizations towards a greener future
